## Health Care Climate Leadership Roundtable

### PARTICIPATING INSTITUTIONS

Agence Nationale d'Appui à la Performance (France), Assistance Publique Hôpitaux de Paris (France), Buddhist Tzu Chi Medical Foundation (Taiwan), BUND (Germany), C2DS (France), China National Health Development Research Center (China), Dignity Health (United States), French Hospital Federation (France), Gunderson Health System (United States), Health Care Without Harm (Global), National Institute for Environmental Health Sciences (United States), NHS Sustainable Development Unit (United Kingdom), Partners HealthCare (United States), Public Health Foundation of India (India), Region Skaane (Sweden), Sant'Orsola (Italy), South Western Sydney Local Health District (Australia), Stockholm County Council (Sweden), United Nations Development Programme (Global), Virginia Mason (United States), Vivantes Hospital (Germany), World Bank (Global), World Health Organization (Global), Yonsei University Health System (South Korea)

### CO-ORGANIZERS

**Health Care Without Harm (HCWH)** works to transform the health sector worldwide, without compromising patient safety or care, so that it becomes ecologically sustainable and a leading advocate for environmental health and justice.

**Assistance Publique-Hôpitaux de Paris (AP-HP)** is the Paris area's University Medical Center (UMC) and the leading UMC in Europe. With 37 hospitals, divided into 12 hospital groups and one federation for multiple disabilities, AP-HP works with the other regional healthcare players. It aims to provide a quality medical offering in line with the needs of the local population.
